### **DETAILED ACTION**

1. The following communication is in response to Applicant's amendment filed on 24 May 2004.

#### ***Status of Claims***

2. Claims 1-4, 9, 10, 12-16, 21, 23-27, 29-35 are previously presented. Claims 5-8, 11, 17-20, 22, 28 are originally filed. Therefore claims 1-35 are under prosecution in this application.

#### ***Summary of this Office Action***

3. Applicant's arguments filed on 24 May 2004 have been fully considered and are deemed to be persuasive with respect to the 35 U.S.C. § 102 rejection and the 35 U.S.C. § 103 rejection. However, a new rejection under 35 U.S.C. § 112 second paragraph has been established. Therefore claims 1-35 are rejected and Applicant's request for allowance is respectfully denied at this time.

***Response to Arguments***

4. Applicant's arguments filed on 24 May 2004 have been fully considered and are deemed to be persuasive with respect to the previous rejections and therefore the rejections are withdrawn.

***Claim Rejections - 35 USC § 112***

5. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 1-35 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Regarding independent claim 1, Applicant's preamble to the claim recites "A system for providing printed information to a user, the system including." The body of the claim however never provides the printed information to the user. The body of the claim must tie together with the preamble of the claim.

This rejection could be overcome by adding a limitation to claim 1 found in related application 09/607657 which states "account means being responsive to the account data for selectively accumulating a credit that is allocated to the user and which is redeemable by the user

Art Unit: 3624

for obtaining selected goods and/or services.” or by providing something similar. Similar action must be taken for each of independent claims 26, 32 and 34.

***Allowable Subject Matter***

6. Claims 1-35 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.
